Date - 01st January 2018

Dear Principals,

I wish to congratulate you all for keeping the Jawahar Navodaya Vidyalayas of the Region in good shape and striving hard to achieve the benchmark fixed by NVS during the year 2017. I hope you will take all necessary measures for smooth functioning of the vidyalayas in 2018 with all your wisdom and hard work. As the final examination of all classes are due in the month of February to April, it is you who will plan meticulously and act wisely not only to keep your vidyalaya incident free but achieve the benchmark of board exam/ other examination fixed by NVS.

Our learned Principals know it well that the most important factors for the success of any individual including students are **Hard Work, Determination, Attitude and Confidence**. Today, in the beginning of the new year 2018, I am repeating the same for which I had humbly reminded you all during Principals' Conference. Please ensure the following in your vidyalaya.

- a) Displaying the entitlement and rate of approved tender.
- b) Reason for late/ not supplying the items to the students in time.
- c) Keeping all the stake holders on board.
- d) No compromise with the ethos of NVS.
- e) Ensuring Safety and Security of students.
- f) Full utilization of budget.
- g) Proper coordination with Local/ District Administration.
- h) Timely conduct of VMC/ PTC Meetings.
- i) Engagement of students during holidays and during sports/ games hours.
- j) Pace setting activities.
- k) Grievance Box.
- l) Proper counseling (emotional and psychological) of students.
- m) Use of ICT and other source of learning a part from routine teaching- learning process.
- n) Transparency in Administration/ decision making.

o) Tag line for the Vidyalaya -

- Principal - This is my school. These and my children.
- Teacher - I owe the development of the Vidyalaya/ activities taking place in the school.
- Students - It's my school, it is a place of my progress, it is a place of worship for me.

I believe that this will go a long way in creating congenial academic environment in the vidyalaya.

I wish the entire NAVODAYA PARIWAR all the best during the year 2018.

Sincerely yours,

(Dr. D.S.Kumar)
