

JNV, DHANBAD

The following instructions have been given to the Principal on 05.12.2017 during surprise inspection of the Vidyalaya:-

1. Classes should not be without teacher during academic hours.
2. All dormitories must be locked during Academic hours. Ensure no students leaves the academic block without valid reasons.
3. All students should take meal in one batch. Arrange proper seating for all the students.
4. The condition of toilet and wiring in hostels are very poor. It should be maintained properly.
5. The iron frames of almost all building are getting rusted. It should be painted with red oxide first and with enamel paint later.
6. Signboards at different places out side the campus must be put in place so that a visiting person can reach the Vidyalaya without any difficulties.
7. Have a land utilization plan of the Vidyalaya and develop play field to accommodate maximum number of students at a time.
8. Arrangement of classes are not being done properly. It should be arranged in a such way so that no class will go vacant.
9. Purchase a Thela rickshaw and dump garbage at the designated places.
10. Engage a mason and repair all the toilets, use white cement as per need.
11. Develop a sick room and keep all the students in that room to ensure their safety and security.
12. Provide iron poles with related provisions to facilitate the students to dry the cloths.
13. Have a repair work shop to keep all extras items which has to be repaired. Don't dump any items in varamdah of the Vidyalaya.
14. Toilet must be maintained properly.
15. Reframe the tables to accommodate the students upto 560 in dinning hall.
16. Submit action taken report within 45 days.
