

NAVODAYA VIDYALAYA SAMITI : REGIONAL OFFICE : PATNA

VISIT REPORT OF JNV KAIMUR DT. 10-05-2017

The following works are important to improve the functioning of the Vidyalaya.

1. Implement Summer Plan as discussed and suggested.
2. Have full discussion with your staff members and display land utilization Plan of your Vidyalaya. Instruct your PETs to develop playfields as per Sports and Games(indoor and outdoor) in such a way that all students get opportunities to play during the games period. Utilize the budgetary provision as per need in this field.
3. Make arrangement that all students must be there in Academic block during academic hours. No student should get scope to leave the area without proper permission.
4. Dining Hall furniture needs painting and some repair. Utilise services of one Casual labourer working in Mess to maintain the area neat and clean and in good shape.
5. No wall painting, pasting on Almirah should be allowed as it gets damaged during annual M&R work.
6. The Vidyalaya vehicle which is not in use is standing in front of entrance, it should be parked at appropriate place.
7. One rickshaw thela may be purchased to dump the garbage, as it is dumped near to the hostel.
8. During break, services of Sweeper-cum-Chowkidar must be utilized for maintaining the toilet first, then for any other work.
9. Welding machine, sewer pump, grass-cutter, electric cutter machine must be purchased to make the M&R work/maintenance work economical.
10. Plan for academic improvement of the students and utilize the afternoon session to call eminent persons, Officers, Educationist to improve the students to excel in their life.
